Scientific title

Assessing the effectiveness of e-learning on occupational health and radiation protection safety of radiation workers, working in TUMS medical imaging and therapeutic centers

Public title

the impact of training on occupational health of radiation workers in university

Purpose

Supportive

Inclusion/Exclusion criteria

All radiation workers working in hospitals of TUMS are

potentially samples of this study .

Age

No age limit

Gender

Both

Phase

N/A

Groups that have been masked

No information

Sample size

Target sample size: **400**

Randomization (investigator's opinion)

N/A

Randomization description**Blinding (investigator's opinion)**

Not blinded

Blinding description**Placebo**

Not used
